LED Modules

Fortimo InstantFit

The first truly field replaceable linear LED module

Are you looking for the flexibility of late stage configuration for your LED troffer? How does configuration in field sound? The Fortimo InstantFit makes late stage configuration a snap. No screws, no tools, no expensive labor. It's as easy as you expect inserting a light source to be.

Future-proof flexibility

Fortimo InstantFit is constructed according to the draft Zhaga Book 21 and draft ANSI C81. Even years after installation, standard compatible modules will be available for replacement.

Flexibility + serviceability = A significant advancement in lighting

The IES has accepted Fortimo InstantFit as a significant advancement to the art and science of lighting.
